- **Affirmation**

I am a Spiritual Being.\*

I am worthy of receiving Spiritual experiences.

I need add nothing to the process of awakening.

All that is required is my willingness to allow  
the process of purification without substituting  
my own plan instead.†

The light of God surrounds us; the love of God  
enfolds us; the power of God protects us; the  
presence of God watches over us. Wherever we  
are, God is, and all is well.

Today’s Discussion

Willingness

Your little willingness is all that’s required. If you take that little willingness to have a new experience of Love and you add to it a STRONG intention to live a life of Love then you cannot fail. You cannot fail because your Spirit knows the way. If you’re not even a little bit willing, and barely interested, with no intention at all—is it any wonder that you’re having the same old, same old experience?

\* We recognize in a gathering of diverse spiritual seekers, the words we have chosen will not be connecting with everyone. We invite you to inwardly translate these words and rituals to those of your path—perhaps Creative Intelligence, Ground of Being, Spirit, Universal Mind, Spirit of Nature, or Power Greater than Yourself, or...?

† Our affirmation today is paraphrased from *A Course in Miracles*.
