Today's Discussion

Light, an Aspect of God

This is the second in a series of conversations about aspects of Spirit (e.g. peace, wisdom, love, light, sound, power, calm).

How do you hold “light” from the wisdom of your spiritual path? Has your conception and/or experience of this changed over time? How might your sense of this impact the world?

* We recognize in a gathering of diverse spiritual seekers, the words we have chosen will not be connecting with everyone. We invite you to inwardly translate these words and rituals to those of your path—perhaps Creative Intelligence, Ground of Being, God, Creator, Universal Mind, Spirit of Nature, or Power Greater than Yourself, or...?

† Our affirmation today is derived from Unity affirmations.

‡ We are building a reserve for our upcoming need for insurance.
