Today's Discussion

Sound/Vibration, an Aspect of God

This is the third in a series of conversations about aspects of Spirit (e.g. peace, wisdom, love, light, sound, power, calm). One reason for noticing these “aspects of God” present within our lives... some consider these a “measure” or indication of progress along our spiritual journey.

How do you hold “sound” or “vibration” from the wisdom of your spiritual path? Has your conception and/or experience of this changed over time? How might your sense of this impact the world?

Announcements

* We recognize in a gathering of diverse spiritual seekers, the words we have chosen will not be connecting with everyone. We invite you to inwardly translate these words and rituals to those of your path—perhaps Creative Intelligence, Ground of Being, God, Creator, Universal Mind, Spirit of Nature, or Power Greater than Yourself, or...?

† Our affirmation today is derived from Unity.

‡ We are building a reserve for our upcoming need for insurance.

Mission Statement

This Fellowship is an inclusive community dedicated to the unfolding spiritual journey of each individual by engaging our minds, our hearts, and our actions.
