

"For truly I tell you, if you have faith the size of a mustard seed, you will say to this mountain, 'Move from here to there,' and it will move; and nothing will be impossible for you."

—Matthew 17:20

Today's Discussion

Power—an aspect of God

This is the fourth in a series of conversations about aspects of Spirit (e.g. peace, wisdom, love, light, sound, power, calm). One reason for noticing these “aspects of God” present within our lives... some consider these a “measure” or indication of progress along our spiritual journey.

How do you hold power from the wisdom of your spiritual path? Has your conception and/or experience of this changed over time? How might your sense of this impact the world?

* We recognize in a gathering of diverse spiritual seekers, the words we have chosen will not be connecting with everyone. We invite you to inwardly translate these words and rituals to those of your path—perhaps Creative Intelligence, Ground of Being, God, Creator, Universal Mind, Spirit of Nature, or Power Greater than Yourself, or...?

† Our affirmation today is derived from Unity.

‡ We are building a reserve for our upcoming need for insurance.
