Today’s Discussion
Guidance

What prompts you to action? Do you listen for the still small voice from within? Are you inclined to go with your gut? What helps you to discern what is true for you? Or do you need the volume up loud to hear it or ask for the equivalent of being hit over the head by spirit? Do your dreams inform your waking life? When you act on your intuition or guidance what is the feedback from the world around you? It is a process of learning to trust oneself and follow the impulses.

* We recognize in a gathering of diverse spiritual seekers, the words we have chosen will not be connecting with everyone. We invite you to inwardly translate these words and rituals to those of your path—perhaps Creative Intelligence, Ground of Being, God, Creator, Universal Mind, Spirit of Nature, or Power Greater than Yourself, or...?

† Our affirmation today is derived from Unity.
